## Captivating Kinders

# Guess My Number Tips

- Teen numbers are 11 – 19
- Odd numbers end with 1, 3, 5, 7, or 9
- Even numbers with 0, 2, 4, 6, or 8
- Greater = BIGGER or MORE 
- Less = fewer or smaller 
- Double Digits = 2 #'s like 23 or 48
- Single Digits = 1 # like 4 or 8
- Same Numbers = 2 # that are alike like 33 or 88

Use these tips and you'll find  
the mystery number!

# Guess My Number!

Clue #1 - It is odd.

Clue #2 - It is a double digit number.

Clue #3 - It is a teen number.

Clue #4 - It is **GREATER** than 15.

Clue #5 - It is **not** 19.

These are great for math stations or an opening exercise to get the brain pumping! I would laminate the chart on page 2 put on the ELMO or in the box with these pages. You can see how I worked this problem by color-coding answer sheets. Just look for the matching number in the upper left corner. Frames by Ms. Talley and some clipart by Lettering Delights. Thank you for your purchase ~ would love your comments. Nina😊
